## UTOPIA

The *Utopia* kitchen is designed to create family time in one big open space filled with sunlight, purity and calmness.

The harmonious blend of natural wood elements and snow-white high gloss finishes creates a homely atmosphere that is both warm and elegant.

Tall cabinet units line the kitchen walls, offering plenty of easily accessible storage.

Nestled in between the wall and base cabinets is a breakfast counter that captures the essence of a mini café corner for that private daytime tête-à-tête.

## ARTE

Fortune favours the bold.

This bold kitchen style captures the essence of a strong, sophisticated and charismatic individual who means business.

Elegantly styled, the *Arte* kitchen ensemble is sleek and resplendent in black, subtly accented with chrome gold elements, while the artistic veins of the marble quartz lend an air of classicism; achieving a timeless elegance unique to any home. The result? A minimalist yet grand composition that commands attention.

The dark woodgrain cabinets frame the black marbled quartz backdrop, while the clean modern lighting draws the audience to the centerpiece.

Whether you are sipping your morning espresso or whipping up a quick healthy meal, make a statement and take centerstage in life with this bold Signature look.

## CLASSIC

Modern or classic kitchen - deciding on one does not mean giving up on others. Instead Signature Kitchen introduces creative freedom in its *Classic* kitchen which retains traditional designs that are timeless by creating an amalgamation of vintage aesthetics with contemporary materials.

The *Classic* kitchen present a modern interpretation of the classic look featuring wall paneled cabinet doors with the absence of handles, with slim quartz shelves for added interest, and matching quartz wall cladding and countertop for that seamless appeal.

Feel the warmth of nostalgia radiating through the soft palettes of Ash Green, Stone Beige, Season White and Shadow Grey with a hint of gold accents.

## ECLECTIC

Picture a sophisticated kitchen that opens out the living area like a welcoming embrace. In the *Eclectic* kitchen, the 'details' make the design. The more difference in the materials, the more interesting and exciting is the interaction - from stone textured and matt door fronts to sleek hints of gold.

Get everything within reach with the open-fronted elements and stylish shelves that are designed to enhance the available storage in an aesthetically organized way.

The central island beckons your attention with its attractive stone textured effect and a countertop that extends to the dining area.

The fluid design allows multiple elegant compositions that will surely resonate with young couples who enjoy cooking and connecting with the scenes in the living room.

## ELEKTRA

The *Elektra* kitchen emanates a classy ambience through a stylistic purity of lines from a luxurious combination of Supermatt and glass - bestowing a glamorous touch to a sophisticated yet pragmatic kitchen ergonomics.

Feel free to run your fingers along the supermatt door finishes, and feel the smoothness of its touch.

This sleek and stylistic composition features smooth matt door finishes, black aluminum tea glass cabinets, polished quartz countertops, slim handle-free panels, built-in appliances and wood elements.

# URBAN

The *Urban* kitchen combines versatility and creative contrasts to intergrate space and functionality in city living.

The mixture of cement textured finishing and petrol blue on the cabinet door fronts forms an interesting backdrop that radiates a youthful yet calming industrial vibe.

Elements of rose gold finishing on the handles add a touch of warm finesse to the composition.

In this clever design, the subtle separation of areas is expressed by the thickness of the countertop, open shelving, and all the way to the cantilever inspired peninsula.

A space for minimalist design yet with great charm marked by chic simplicity and expressive design.

The smooth transition takes you from cooking, dining to working from home, all within this chic urban living space.

## SWING DOOR

No matter if you're young, successful urbanite or a dedicated homemaker, there's no doubt in appreciating the practicality and timeless functionality of a swing door wardrobe. With Signature Wardrobe's endless selection of door colours and storage solutions, your desired wardrobe style can be achieved easily. Just mix and match with the handles for a different appeal. Whether it's a warm, natural wood ambiance or a cool, chic atmosphere you're going for, one thing's for sure - you'll be spoiled for choice!

## SLIDING DOOR

You like to have ample storage, yet your room may not necessarily have the space for it. Fret not - plentiful storage without taking up a lot of room is made possible thanks to wardrobes with sliding doors. With the addition of a sleek mirror door, the impression of a spacious room is easily created. And when the doors are fully closed, the wardrobe appears as a feature wall that cleverly conceals all your storage needs.

---

## WALK-IN WARDROBE

A walk in wardrobe is every woman's dream wardrobe. More than just a symbol of luxury is a necessity if you are the sort of person who likes to stand back and have some 'room for thought' before deciding on what to wear for the day or occasion. With our imagination and creativity, the design options and variations are unlimited!
